Verse 1

Near a small Mid-western town
People gather from all around.
A Miracle they've come to see,
The sign of Peace, Love, and Harmony - oh yeah

Verse 2

Every nation of Planet Earth
Will come together from the birth.
Hand-in-hand, Reunite
Yellow, Black, Red and White - oh yeah

Miracle

CHORUS

Make the sign of Peace -
Sign the sign of Love -
Sing out loud in Harmony,
For Miracle - the White Buffalo.

Now it's up to you and me
To take responsibility.
No more hate - no more war.
Taking less and giving more - oh yeah

Miracle

Make the sign of Peace -
Sign the sign of Love -
Sing out loud in Harmony,
For Miracle - the White Buffalo.
