Mark Peltier-Robson

Yes, Yes - JESUS

Verse 1

On the path of my journey - chasing my life's goal.

I raise my hands up to Jesus - so He will save my soul.

Miracles they happen - each and every day.

Let my clouds of worry - just up and blow away. - blow away... oh
yeah

CHORUS

Raise my hands up to Jesus - each and every day.

Raise my hands up to Jesus - He will show me the way.

Raise my hands up to Jesus - down on my knees I pray.

I Raise my hands up to Jesus - each and every day.

Verse 2

Lived my life in re-runs - sometimes not so bright.

My Technicolor stories - played out in black and white.

Used to be a sinner - tempted all day long.

Now that I've found Jesus - I know I can be strong. - so strong... oh
yeah

CHORUS

Raise my hands up to Jesus - each and every day.

Raise my hands up to Jesus - He will show me the way.

Raise my hands up to Jesus - down on my knees I pray.

I Raise my hands up to Jesus - each and every day.

Verse 3

Dealing with my problems - sometimes scared and weak.

Life keeps on hiding - the answers that I seek.

Life can be so trying, - life can be so cold.

Praise God I follow Jesus - cuz He can save my soul. - my soul... oh
yeah

CHORUS

Raise my hands up to Jesus - each and every day.

Raise my hands up to Jesus - He will show me the way.

Raise my hands up to Jesus - down on my knees I pray.

I Raise my hands up to Jesus - each and every day.

CHORUS

Raise my hands up to Jesus - each and every day.

Raise my hands up to Jesus - He will show me the way.

Raise my hands up to Jesus - down on my knees I pray.

I Raise my hands up to Jesus - each and every day.
