## **Walking Miracle**

### Verse 1

She's a walking miracle  
Gliding through the fog of time  
She's a walking miracle  
Clouded dreams are left behind

### CHORUS

Like the garden she grows  
God's peace and love that shows

### Verse 2

She's a walking miracle  
Wearing hats of many styles  
She's a walking miracle  
Sharing Springtime with her smile

### CHORUS

Like the garden she grows  
God's peace and love that shows

Verse 3

She's a walking miracle

Heaven's flowers from above

She's a walking miracle

Blanket all of us with love

CHORUS

Like the garden she grows

God's peace and love that shows

She's a walking miracle

Thank God for all his love

For his love, for his love

All his love, all of God's love
